

Anti-Wandering Door System

For a Facility of any Size!

The Smart DepartAlert™ Door Bar System functions with three easy-to-use components: a door strip monitor alarm, magnetic contact switch and resident wristband. When a resident wearing a wristband attempts to depart through the doorway, the door strip alarms audibly and visually.

Install in 3 Easy Steps

- 1** Hang Monitor on Door
- 2** Plug in Monitor
- 3** Put Wristband on Resident

Optional Central Monitoring
